

Founded in the 1920s as the South Jersey Law School and the College of South Jersey, Rutgers University–Camden became part of Rutgers, The State University of New Jersey, in 1950. Rutgers–Camden provides all the benefits and resources of a world-class research university within a supportive, close-knit community, with small classes and individual attention. From courses that

incorporate civic engagement and international opportunities that take students across the globe, Rutgers–Camden offers a wide range of academic disciplines, including humanities, arts, social sciences, natural/physical sciences, computer science, business, and nursing.

Rutgers–Camden at a Glance

- 6,408 Students (4,899 undergraduates)
- 55% female/45% male
- 29 states and 33 nations represented
- 10 to 1 student-to-faculty ratio
- 26 average class size

Academics

- Doctoral, master's, baccalaureate, and certificate programs
- 4 schools & colleges (College of Arts and Sciences, School of Business, School of Nursing, and Rutgers Law School)
- 38 undergraduate majors and programs
- 50+ minors, certificate and special programs
- 26 dual- and joint-degree programs
- 30+ graduate and professional programs

- 98% of faculty hold a terminal degree

Honors College - A distinguished learning community comprised of our top students from all three of our undergraduate schools and colleges.

Leadership Institute - a close-knit community of some of our most active and engaged students. The Institute connects students to many exciting programs, events and provide personalized mentorship that will help guide students to success.

Admission to both programs for first-year and transfer students is by invitation during the admission process or by applying as a rising sophomore.

Student Life

With so many opportunities, there are many ways students can get involved to include:

- Clubs, organizations, and Greek life
- NCAA Division III Athletics or club and intramurals
- Civic engagement, arts, and culture
- And much more

Residential Life

- 3 comfortable, spacious suite- and apartment-style residence halls featuring modern amenities
- Nearly 600 students live on campus
- Special themed floors including business, health and medical sciences, civic and political engagement, honors, and transfer students

Career Center

Provides comprehensive career development programs customized for each student and includes:

- Interest and personality assessments
- Career counseling and graduate school advising
- Job search coaching and interview techniques
- Career days, internship/job fairs, and on-campus recruitment
- Graduate/professional school fair
