### Livingston Fun Facts

Installed in 2009, Livingston holds one of the largest solar panel arrays in New Jersey.

The dining hall on Livingston used to be located in Tillett Hall which is now a classroom building. The current dining hall, Livingston Dining Commons, was built in 2011.

Our men's and women's basketball teams play in the Rutgers Athletic Center (RAC), which has been dubbed "louder than a 747."

# LIVINGSTON CAMPUS

## Self-Guided Tour

**Walk from the Yellow Lot to Rockefeller Rd until you reach Joyce Kilmer Ave.** Turn left on Joyce Kilmer Ave, walking along the shops in the Livingston Plaza. Starbucks, 16 Handles, and Rutgers Cinema will be on your left. All of the eateries and stores at Rutgers accept RU Express which uses your Rutgers ID card like a debit card. Students can add money online.

**1 Use the crosswalk** to turn right and **follow the sidewalk** into the **Livingston Student Center**. Inside is a convenience store, Dunkin Donuts, the Rutgers Zone, a radio station, and much more! **Leave through the exit just as you pass the Rutgers Zone on your right.**

**2 Walk across to the Livingston Dining Commons** which is the dining hall here on Livingston Campus. It has a *burger bar*, where students use a touch screen to customize their food. It's open from 7 a.m. - 9 p.m. on weekdays and 9:30 a.m. - 8 p.m. on weekends. **To the left of the entrance** is where students can use their meal swipes for takeout, which is open from 7 a.m. - 12 a.m. on weekdays and 5:30 p.m. - 10 p.m. on Sundays.

**3 To the left** of the dining hall is **Kilmer Library** which is one of 21 libraries across our five residential campuses. Inside is a computer lab where students can print using their \$30 printing credit which is built into their term bill.

**From the library, turn right onto the main walkway through Livingston, passing the Lynton Towers on the left and the Livingston Classroom Building on your right until reaching Tillett Hall on the right.**

**4 Enter Tillett Hall**, which houses the undergraduate branch of **Psychology** to the left of the entrance, *one of five learning centers* (there is one on every campus with free tutoring), smart classrooms and lecture halls upstairs, and the **Livingston Computing Center**, down the hallway to your left. **Walk past the Livingston Computing Center to see the Livingston Post Office down the hallway to your right, then through the glass doors to return outdoors.**

No, you're not at Six Flags! These lockers that you see outside of Tillett Hall are mailboxes. Students that live on campus can receive and send mail by opting into the *mail service*.

### Optional stops:

★ The **Rutgers Business School**, also known as 100 Rock, is a huge glass building that greets you as you approach Livingston. Some say that it looks like a Transformer! This building includes a lecture hall that seats 440 students, smart classrooms, and conference rooms. It was ranked one of the 50 most beautiful business schools in the world. It is located *35 miles from Manhattan* which helps students find and travel to internships in New York City through *Rutgers Career Services*.

★ The **Livingston Recreation Center** is *one of four recreation centers* across the New Brunswick residential campuses and is *free for students*. It is the only one that does not have a pool; instead, it has a spa! For discounted rates, enjoy a massage or facial. It is home to the Go Outdoors club, state-of-the-art equipment, and gymnastics, both at the club and Big Ten level.
