# TIPS FOR PLANNING YOUR DAY

- 1. Look carefully at the schedule and plan ahead.** Events happen throughout the entire day. To avoid early morning traffic you may want to consider alternate routes or carpool with friends.
- 2. Choose your starting campus and park there.** Note parking areas indicated with a **P** on each of the maps. Follow the signs to parking, park your car and use the buses. Use the "Bus Information" section on the campus map pages to find out which bus takes you to your next destination. Download the *Knight Events App* to find out when the next bus will arrive at your stop.
- 3. There is no check-in.** Proceed directly to your first session.
- 4. No event is mandatory.** Many sessions are offered multiple times to make planning your day easier.
- 5. Schedule your day.** If you haven't planned your day prior to Open House, use the back cover to write down your schedule so you don't miss out on important events!
- 6. Attend the Student Services Fair at the Louis Brown Athletic Center (RAC)** on the Livingston Campus from 9 a.m. to 3 p.m. Join staff and students from more than 35

student services departments. A full listing of participating departments is available in the *Knight Events App*!

- 7. Include a tour.** There are two types of tours that will run throughout the day. Walking tours and residence hall tours will help you figure out which campus fits your lifestyle.
- 8. Eat in dining halls or student center food courts.** There are no better spots on campus to get a true feel for what the pulse of the campus is like.
- 9. Attend a Campus Life session.** How will you build your community at Rutgers? Campus Life sessions will give you a glimpse of the opportunities for getting involved on campus and for developing lifelong skills.
- 10. Be sure to:**
  - » Download the *Knight Events App*
  - » Attend an academic session
  - » Learn about New Student Orientation
  - » Take a tour
  - » Check out the fair
  - » Eat on campus

## KNIGHT MASK CONTEST

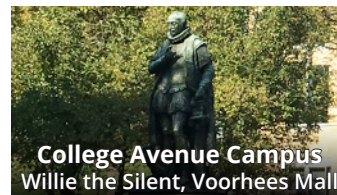

Pick up your Knight Mask at any student center or the RAC! Post a selfie with it at any of the locations listed using **#FutureScarletKnight** for a chance to win a Rutgers prize pack and be featured on our social media accounts!

**Winner will be announced at 1:30 p.m.!**

Check the maps for building locations marked with:

*\*The Biomedical Engineering building is located near new construction and may be difficult to get to. As an alternative, check out the Revolutionary Monument outside of the Visitor Center on Busch Campus!*

# NEXT STEPS FOR FUTURE SCARLET KNIGHTS

## New Student Orientation (NSO)

New Student Orientation is a dynamic on-campus experience designed to welcome, prepare and engage all new students and their families in their transition to Rutgers.

- » All new students are expected to attend an orientation program.
- » There is no additional cost for New Student Orientation.
- » Students should make sure that they activate their NetID through the Enrollment Pathway and regularly monitor their NetID and ScarletMail email accounts.
- » Students are encouraged to select an orientation session date on the Enrollment Pathway by June 1, 2017. Space is limited and sessions are filled on a first come, first served basis.
- » Separate orientation programs will be offered for parents and family members that require separate registration and a nominal fee for attendance. Parents and family members may purchase tickets for a Parent and Family Orientation program at [getinvolved.tix.com](http://getinvolved.tix.com).

### FIRST-YEAR STUDENTS

Students will attend a two-day program with one overnight stay in a university residence hall. Session dates run from mid-June through mid-August with some priority session dates for Honors College, School of Environmental and Biological Sciences, engineering, and nursing students. Students enrolled at the Rutgers Business School, Mason Gross School of the Arts, School of Arts and Sciences, and Ernest Mario School of Pharmacy may attend any session.

### TRANSFER AND NON-TRADITIONAL STUDENTS

Students will attend a half-day program. Since some transfer or non-traditional students may be looking for additional information about campus involvement opportunities, select session dates will include options for an extended evening or an overnight orientation experience. In addition, one session date in early August will feature a consolidated evening program specifically designed for non-traditional or working students with significant daytime commitments.
